The Prancing Horse Register is for enthusiasts of Ferrari who do not own one themselves. If you now own a Ferrari please send details of your car and return this form without payment, you will then be sent an application to join the Ferrari Owners' Club.

To assist with the smooth administration of the Club it is essential that renewal subscriptions are received as soon as possible. Please ensure the address you use is the one to which you wish all Club mailings to be sent and be sure to include your post code. Addresses and telephone numbers will be used only by the Club administrators and never passed to anyone else. Please send your form to the Membership Secretary as soon as possible. Failure to do so will delay your membership renewal and receipt of magazines.

Area Groups There are regional groups of members throughout the UK. It is not possible to take part in Area Group activities without being a full member of the PHR. Area Group Organisers are sent lists of members in their area. If you do not wish your details to be forwarded and are not interested in participating please tick this box []

Ferrari Magazine Is the colour magazine of the Ferrari Owners' Club, issued quarterly, not on public sale and not included in the membership fee. It features high quality colour photography (not possible in Ferrari News) and articles on the marque's participation in major motoring events around the world. Other features include the latest news from Ferrari SpA, their new tipos etc; Formula One reports and coverage of the premier events staged by Ferrari clubs around the world (including, of course, our own) potted histories, restoration stories, reviews of books, automotive artists, museums, collections etc. Support your Club - subscribe to 'Ferrari'.
